Re: Litigation regarding Bucks County Republican Committee Bylaws and Ethics Matters

Dear Mr. Teitelman – I am requesting that you add me as a plaintiff, petitioner, or other appropriate party, and represent me regarding the potential litigation against the Bucks County Republican Committee and, if deemed appropriate, its officers and board members and such other persons or entities as may be determined, deriving from the Ethics Complaint filed by members of the BCRC on January 9, 2023.

I understand that your services are being rendered on a pro bono basis and that I will not be required to pay you a fee. I also understand that you can withdraw as my counsel upon notice to me in writing. Your representation will cover any proceedings in the Bucks County Court of Common Pleas only and that any further representation including any appeal will require a further agreement by you and me.

I hereby certify that I am currently a registered Republican elector in Bucks County at the address shown below, and that my registration is valid and active as of the date hereof.

Thank you,
