

Dear Fellow Bucks County Republican Voter,

As you see the problems our country is facing with *endless wars, inflation, open borders, weaponization of the federal law enforcement apparatus*, you know that WE have big problems in our country. We also have a BIG problem in our county, and it's NOT the Democrats! I'm sorry to inform you that our problem is our own **Bucks County Republican Committee leadership and the corrupt bylaws that they use to stay in power.**

Did you know that ...

The Bucks County Republican Committee has a *corrupt set of bylaws* dated June 24th, 1972 that gives the power to choose your candidates to party boss Pat Poprik and her hand-selected group of insiders who are not accountable to the voters? Did you know that these people are responsible for:

- 4 terms of Anti-Trump RINO Gun Grabber, FBI STOOGE and Transgender Rights Advocate Brian Fitzpatrick
- ACT 77, the law with no frills MAIL-IN VOTING and the most corruptible election system in the nation supported by EVERY one of their endorsed Bucks Co. Republican Pa. State Rep and Senators
- Joining with Democrats to declare the Nov. 3rd 2020 STOLEN ELECTION the "most secure election ever"?
- Telling their own conservative members to stop talking about election integrity
- Astro-turfing the county with signs for Fitzpatrick while refusing to support candidate Trump in 2020
- Refusing to answer the *ETHICS COMPLAINT* filed Jan. 9th 2023 by nearly 50 of their own conservative members for running and rigging their own June 25th 2022 party officers election using corrupt bylaws
- Refusing to seat conservative 2022 write-in election winners to prevent them from taking power while leaving hundreds of seats unfilled to prevent changes to the bylaws and voting the bums out

Unless you have been following *RightForBucks* and the Bucks First movement of Pro-Trump anti-establishment conservatives you would not know this because the party does not talk about how they make the sausage (rigged endorsements of RINOS in primaries) and stifle dissent by conservatives in their party! They treat you like a mushroom by feeding you BS and keeping you in the dark!

What can YOU do to reclaim the Bucks County Republican Party from the people responsible for these betrayals who are aligned with the corrupt Pennsylvania UNIPARTY and the political establishment?

The easiest and most effective way for YOU to make a difference is to **join our movement, educate yourself and prepare to be elected as your LOCAL REPUBLICAN PRECINCT COMMITTEE representative.
