FROM THE DESK OF YOUR NEIGHBOR AND CANDIDATE FOR

BUCKS COUNTY REPUBLICAN COMMITTEE REPRESENTATIVE

Dear Neighbor and Fellow Republican,

As you know, on November 4, 2025, Republican candidates lost every county row office, every judicial seat, and nearly every school board seat in a decisive and humiliating defeat. This handed full control of the county to the Democrats—even though Republicans currently hold a voter registration advantage in the county.

HOW AND WHY DID THIS DISASTER HAPPEN?

It's quite simple. We have terrible leadership, terrible messaging and a very weak ground game. The leadership of the party blamed "forces beyond our control" for the losses, but this is disingenuous and self-serving. The fact is that we've had the same people and corrupt party system for 53 years. Since 1972 we've had only TWO party chairs and the same corrupt bylaws! The party bylaws give **ALL** of the power to select the candidates to the party boss, leaving the **VOTERS** and their local precinct committee representatives **NO VOICE** in who we choose to **ENDORSE** in primary elections.

What happens when your football team goes 0-16 and doesn't even put 11 players on the field?

You fire the coach and get a new game plan!

I am running for our local Republican committee seat to **give you a voice** for change. I will vote for **new leadership and new bylaws** that will lead the committee to endorse **strong conservative candidates** that will inspire the voters to show up on election day with the hope that we will finally get Republicans that are willing to **FIGHT** for **OUR** best interest, and **NOT** for the best interest of the party bosses and their donor friends. Republican voters will show up and vote when the party shows them that it's worth their time and effort to do so!

PLEASE MARK YOUR CALENDAR FOR MAY 19th TO SHOW UP AND VOTE FOR ME SO I CAN GIVE YOU A VOICE AND BRING ABOUT THE CHANGES SO DESPERATELY NEEDED IN OUR PARTY.

THANK YOU AND MAY GOD BLESS AMERICA!
